

CHERRY BLOSSOMS

What is Hanami?

Hanami is the act of viewing cherry blossoms in Japan.

Late March and early April is the best time to see cherry blossoms in full bloom in Japan.

What are Test Tours?

You get to be the first to experience our self-guided tours. Not only do you get a more intimate group atmosphere but an amazing discounted rate.

In exchange we ask that you share your feedback, photos and review about your experience to help us perfect our curated bike tours in Japan.

Who can do a test tour?

If you are subscribed to our newsletter- then you are invited! You are welcome to share the news, but limited spots are available.

Where do the tours go?

The tour will take you from the seaside of Wakayama, to Nara, Kyoto and Osaka.
